## CENTER- TERAZIJE

Leave everything what you have been doing and take a look at this one of a kind jaw-dropping apartment of 125 sqm (1345 sq ft), on the 6th floor of well-maintained residential building.

Completely renovated to the highest standards, its orientation opposite of the pedestrian area, guarantees absolute peace and quiet, while the latest protection system gives security guarantees.

While you are walking on supreme Brazilian wooden floor, you cannot help but notice that the apartment is designed by high class architects with the intention to impress even the people with most sophisticated taste.

Constructed as three bedroom apartment with two and a half bathrooms, it represents a rich palette of the finest interior works, and its elegant combination of glass, metal and wood is even more pointed out under excellent organized Natuzzi and Swarovski lighting.

The combination of warm natural colors and straight lines gives once in a life time opportunity to live in what many consider to be the most exclusive apartment in the heart of the city.

If you are looking for elegance, this is a property that will make you feel special.
